Re: MUR 4915

Dear Andrew:

Although the complaint filed by the New Hampshire Republican State Committee ("Committee") does not accuse PG&E Corporation or its subsidiary, PG&E Generating Company ("PG&E Gen"), of any wrongdoing in connection with the above-captioned matter, we wanted to comment on certain inaccuracies contained in the Committee's complaint. As the complaint was received by PG&E in the midst of the summer vacation period (on August 17th), we hereby request a two-week extension of the 15-day time period in which to comment. The extension will give PG&E until September 15th to file its comments with the Commission.

We would appreciate hearing from you at your earliest convenience concerning this request.

Sincerely,

Steven R. Ross
